Bink in a Sink

Good morning, Bink!
Bink is ready to start his day.

Bink uses his litter box.
All done, Bink!

Time for breakfast.
Bink eats from his bowl.

Bink eats some chicken.
Yum, yum!

Bink found a sink.
Time to play!

Bink washes his paws.

Splash, splash!

Oh, why not get in?
Bink is in a sink!

I could do this all day!
Oh, but ...

There's a box!
Bink's in the box.

Oh, look!
Bink saw you!

Hmmm, What is this?

Bink is in a bunker.

Oh, I think I like this.

Bink gets a belly rub.

Bink with a buddy.

Bink is having so much fun.

Bink must think.

Bink found some treasures.

Bink must leap.

Oh, look, there's more.

Oh no! Bink made a boo-boo!

“Time to clean up!”

“Look at my bunny feet!”

“No flying, little kitten.
Run, don’t fly, Bink!”

Bink gets kisses.
It's Okay, it was an accident.

Bink on his blanket.

Time for Bink's nap.

Bink is up from his nap.

Bink is in a bag.

There's so much to do in a bag.

Bink in a tunnel.

Bink spots some toys.

Bink caught the mouse.

Bink chases a ball.

I think I'll stretch.
Hmm, what are these?

“I’ll read to you,” says Mom

Bink with a ball of yarn.

Bink is all tangled up.

Bink is scratching.

Bink has found his way back to the sink.
Bink gets a bath.

Bink uses his litter box.
Then it's bedtime.

It's been a busy day for Bink.

Shhh... Bink is sleeping.
Goodnight, Bink.

Mama gives Bink a goodnight kiss.
Sleep tight, sweet baby Bink.
